Our responsibility is to issue a report on the Statement based on our review.

3. We conducted our review of the Statement in accordance with Standard on Review Engagement (SRE) 2410 "Review of Interim Financial Information performed by the Independent Auditor of the entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results read with notes thereon prepared in accordance with recognition and measurement principles laid down in the applicable Indian Accounting Standards specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued

PRESS RELEASE IRFC Q2 & H1, FY 2026-27 Results

IRFC announces highest-ever H1 FY 2026-27 results, with revenue growth exceeding 20% and net profit grown by more than 10%

** CMD Manoj Kumar Dubey highlights continued railway-centric diversification momentum, a strengthened workforce and robust corporate governance during the quarter*

New Delhi, 13th Oct 2026: Indian Railway Finance Corporation Ltd. (IRFC), a Navratna Central Public Sector Enterprise under the Ministry of Railways, today announced its unaudited financial results (standalone) for the second quarter and half year ended 30th September 2026 (Q2 & H1 FY 2026-27).

Financial Performance

For the half year ended 30th September 2026, IRFC reported total income of Rs. 16,315.80 crore, as against Rs. 13,290.15 crore in H1 FY 2025-26, registering growth of 22.77%.

Profit After Tax (PAT) for Q2 FY 2026-27 stood at Rs. 1,958.48 crore, as against Rs. 1,776.98 crore in Q2 FY 2025-26, registering robust growth of 10.21%. For the half year ended 30th September 2026, PAT stood at Rs. 3,885.69 crore, as against Rs. 3,522.67 crore in H1 FY 2025-26, representing 10.31% growth, making it an all-time high profit for any H1.

The Corporation's net worth stood at a record Rs. 60,573.35 crore as on 30th September 2026, as against Rs. 56,748.76 crore as on 31st March 2026, continuing its upward trajectory on the back of sustained profitability. Net Interest Margin (NIM) stood at 1.50% (annualized) for the quarter.

IRFC continued its unblemished track record of *zero non-performing assets (NPA)* during the quarter, maintaining a clean loan book even as it scales up its diversified lending portfolio across railway-linked and allied infrastructure sectors.

The Board of Directors declared a *record-high* interim dividend of INR 1.15 per share, the highest ever payable in a single tranche.

Commenting on the results, Manoj Kumar Dubey, Chairman and Managing Director, IRFC, said:

"Q2 and H1 FY 2026-27 have been significant not just from a financial standpoint, but also from a governance and institutional strengthening perspective. During the quarter, we successfully conducted our 39th Annual General Meeting, and I am glad to share that IRFC's financial statements for FY 2025-26 received Nil comments from the Comptroller and Auditor General of India, a reflection of the robustness of our financial reporting and internal control systems. We have also continued to strengthen our workforce in line with our growing and diversifying business.

Under IRFC 2.0, our continued railway-centric diversification is reaping rich dividends. The growing contribution of railway-linked businesses beyond Indian Railways is supporting better margins, strengthening PAT and improving NIM.

Looking ahead, we are gearing up to meet the substantial financing requirements of newly sanctioned Dedicated Freight Corridors, High-Speed Rail Corridors, national port expansion and the renewable energy sector having PPAs with Indian Railways, following a Whole-of-Government approach.

For IRFC, zero NPA is not just a status symbol but a sound business proposition."

Future Outlook

IRFC is well-positioned to sustain the momentum in margins and profitability through the remainder of FY 2026–27, driven by its diversification strategy, with a growing pipeline of opportunities in metro rail, Dedicated Freight Corridors (DFC), High-Speed Rail (HSR), Rapid Rail, ports, power, renewable energy, etc. With a strong governance framework and a growing talent base, the Corporation remains committed to its zero-NPA track record while upholding prudent risk management. As it broadens its presence across the railway-linked infrastructure ecosystem, IRFC is poised to play an increasingly significant role in financing India's expanding infrastructure needs and advancing the national vision of *Viksit Bharat 2047*.
