Sub.: Outcome of Board Meeting of the Company - Disclosure under Regulations 30, 33, 42 and 47 of the Securities Exchange and Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and Integrated Filing (Financials) for the second quarter and half year ended 30 September 2026

Ref.: Intimation of Board meeting dated 30 September 2026

Dear Sir/Madam,

In compliance with Regulations 30, 33, 42 and 47 read with para-A of Part A of Schedule III and other applicable provisions of the SEBI Listing Regulations, we wish to inform you that the Board of Directors of the Tech Mahindra Limited ("Company") have at their Meeting held today viz. Thursday, 15 October 2026 inter-alia, considered and approved the following:

1. Audited Financial Results:

Audited Consolidated and Standalone Financial Results of the Company for the second quarter and half year ended 30 September 2026 together with the Unmodified Audit Reports thereon.

2. Declaration of Interim Dividend and Record Date:

Declared Interim Dividend of Rs. 15/- per equity share of the face value of Rs. 5/- each (300%) for the Financial Year 2026-27.

The Record Date for entitlement of Interim Dividend is Friday, 23 October 2026.

The Interim Dividend shall be paid by 13 November 2026 through electronic mode to those Members or their mandates:

i. whose names appear as Beneficial Owners as at the end of the business hours on Friday, 23 October 2026, being the Record Date for Interim Dividend, in the list of Beneficial Owners to be furnished by National Securities Depository Limited and Central Depository Services (India) Limited, in case of shares held in dematerialised mode; and

ii. whose names appear as Members in the Register of Members of the Company as at the end of the business hours on Friday, 23 October 2026, after giving effect to valid request(s) received for transmission/transposition of equity shares and lodged with the Company/its Registrar to an issue & Share Transfer Agent on or before Friday, 23 October 2026, in case of shares held in physical mode.

In this regard, please find enclosed the following documents prepared in compliance with Regulations 33 and 47 of the SEBI Listing Regulations:

a. Audited Consolidated and Standalone Financial Results and notes thereon ("Audited Financial Results") together with Unmodified Audit Reports on the Financial Results for the second quarter and half year ended 30 September 2026, issued by the Company's Statutory Auditor;

b. Press Release on the Audited Financial Results;

c. Quarterly Earnings Presentation.

3. Issue of Bonus Equity Shares, increase in Authorised Share Capital and consequential amendment to Memorandum of Association of the Company:

The Board has recommended the following for approval of the Shareholders, through postal ballot:

a. Issue of Bonus Equity Shares in the ratio of 1:1, i.e. one (1) new fully paid-up Bonus Equity Share of Rs. 5/- each for every one (1) existing fully paid-up equity share of Rs. 5/- each, held by the Eligible Members of the Company as on the Record date set for this purpose, by capitalisation of amounts standing to the credit of the Securities Premium Account and/or General Reserves and/or Retained Earnings and/or any other permitted Reserves, as per the Audited Financial Statements of the Company for the financial year ended 31 March 2026.

b. Increase in the Authorised Share Capital of the Company from Rs. 924.3 crore to Rs. 1,000 crore, and consequent amendment to the existing Clause V(a) of the Memorandum of Association of the Company.

The Record Date for the purpose of issue and entitlement of Bonus Equity Shares will be intimated separately.

The details of the aforesaid issue of Bonus Equity Shares in terms of Regulation 30(6) read with para-A(4)(e) of Part A of Schedule III of the SEBI Listing Regulations and the SEBI Master circular no. HO/49/14/14(7)2025-CFD-POD2/I/3762/2026 dated 30 January 2026 are enclosed herewith as **Annexure A**.

The Board meeting convened today viz. Thursday, 15 October 2026 for the aforesaid matters, commenced at 2:30 p.m. (IST) and concluded at 4.45 p.m. (IST). The Board meeting was thereafter adjourned to be convened tomorrow, Friday, 16 October 2026.

This intimation and the aforesaid information are also being uploaded on the Company's website at https://www.techmahindra.com/investors/

Kindly take the above on record.

Thanking you

For Tech Mahindra Limited

Independent Auditor's Report

To the Board of Directors of Tech Mahindra Limited

Report on the audit of the Consolidated Financial Results

Opinion

We have audited the accompanying Statement of Consolidated Financial Results of Tech Mahindra Limited ("Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), its associates and its joint ventures for the quarter ended 30 September 2020 and for the period from 1 April 2020 to 30 September 2020, ("the Statement"), being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of other auditors on separate consolidated interim audited financial statements /financial information of the subsidiaries, the Statement:

a. includes the results of the entities mentioned in Annexure 1;

b. is presented in accordance with the requirements of Regulation 33 of the Listing Regulations as amended; and

c. gives a true and fair view in conformity with the applicable accounting standards, and other accounting principles generally accepted in India, of consolidated total comprehensive income (comprising of net profit and other comprehensive income) and other financial information of the Group for the quarter ended 30 September 2020 and for the period from 1 April 2020 to 30 September 2020.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Results* section of our report. We are independent of the Group, its associates and its joint ventures in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us, along with the consideration of audit reports of the other auditors referred to in the "Other Matter" paragraph below, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial results.

Emphasis of Matter

We draw attention to Note 4 of the consolidated financial results, which describes in detail certain matters relating to erstwhile Satyam Computer Services Limited ("erstwhile Satyam"), amalgamated with the Holding Company with effect from 1 April 2011. In accordance with the Scheme approved by the Hon'ble High Court of Hyderabad, Andhra Pradesh, the Holding Company has presented separately under "Suspense Account (net)" claims made by IT companies in the City Civil Court, for alleged revenues amounting to Rs. 12,304 million, to erstwhile Satyam. The Holding Company's management, on the basis of current legal status, lack of documentation to support the validity of the claims and external legal opinion believes that these claims will not be payable on final adjudication.

Our opinion is not modified in respect of this matter.

Management's and Board of Directors' Board of Trustees' Responsibilities for the Consolidated Financial Results

These quarterly consolidated financial results as well as the year to date consolidated financial results have been prepared on the basis of the consolidated interim financial statements.

The Holding Company's Management and the Board of Directors are responsible for the preparation and presentation of these consolidated financial results that give a true and fair view of the consolidated net profit/ loss and other comprehensive income and other financial information of the Group including its associates and joint ventures in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Management and Board of Directors of the companies/Board of Trustees of the trusts included in the Group and the respective Management and Board of Directors of its associates and joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each company/trust and for preventing and detecting fraude and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial results by the Management and the Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial results, the respective Management and the Board of Directors of the companies/Board of Trustees of the trusts included in the Group and the respective Management and Board of Directors of its associates and joint ventures are responsible for assessing the ability of each company/trust to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors/Board of Trustees either intends to liquidate the company/trust or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies/Board of Trustees of the trusts included in the Group and the respective Management and Board of Directors of its associates and joint ventures is responsible for overseeing the financial reporting process of each company/trust.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the consolidated financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management's and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and joint ventures to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the interim financial statements/financial information of the entities within the Group and its associates and joint ventures to express an opinion on the consolidated financial results. We are responsible for the direction, supervision and performance of the audit of interim financial statements/financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated financial results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in the 'Other Matter' paragraph in this audit report.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

Other Matter

The consolidated financial results include the audited financial results of 62 subsidiaries whose interim financial statements/ financial information reflects total assets (before consolidation adjustments) of Rs. 177,838 million as at 30 September 2020, total revenue (before consolidation adjustments) of Rs. 94,207 million and Rs. 108,488 million, total net profit after tax (before consolidation adjustments) of Rs. 2,006 million and Rs. 5,278 million for the quarter ended 30 September 2020 and for the period from 1 April 2020 to 30 September 2020 respectively, and net cash inflows (before consolidation adjustments) of Rs. 131 million for the period from 1 April 2020 to 30 September 2020 as considered in the consolidated financial results, which have been audited by their respective independent auditors. The independent auditor's reports on interim financial information/financial statements of these entities have been furnished to us.

Our opinion on the consolidated financial results, in so far as it relates to the amounts and disclosures included in respect of these entities, is based solely on the reports of such auditors and the procedures performed by us as stated in paragraph above.

Our opinion on the consolidated financial results is not modified in respect of the above matter with

respect to our reliance on the work done and the reports of the other auditors.

Audited Consolidated Interim Financial Results for the quarter and six months period ended September 30, 2026

Notes :

1 These results have been prepared on the basis of the audited condensed consolidated interim financial statements which are prepared in accordance with the Indian Accounting Standard (referred to as "Ind AS") 34 - Interim Financial Reporting prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules 2015 and relevant amended rules thereafter. The quarterly and six months period ended financial results have been reviewed by the Audit Committee and have been approved and taken on record by the Board of Directors in its meeting held on October 15, 2026.

2 The Board of Directors at its meeting held on October 15, 2026, has declared a interim dividend of Rs. 15 per equity share on face value of Rs. 5 each (300%).

3 The Board of Directors, at its meeting held on October 15, 2026, approved the issue of bonus equity shares in the ratio of 1:1, i.e., one bonus equity share of Rs. 5 each for every one fully paid-up equity share held by the Members of the Company as on the record date, subject to approval of the shareholders and other applicable regulatory/ statutory requirements.

4 Certain matters relating to erstwhile Satyam Computer Services Limited (erstwhile Satyam):

Proceedings in relation to 'Alleged Advances':

Erstwhile Satyam had, in the past, received letters from 37 companies seeking confirmation by way of acknowledgement of receipt of certain alleged amounts by the erstwhile Satyam (referred to as 'alleged advances'). These letters were followed with legal notices claiming repayment of the alleged advances aggregating to Rs. 12,304 Million together with damages/compensation @ 18% per annum till the date of repayment. The erstwhile Satyam had not acknowledged any liability and replied to the legal notices stating that the claims are not legally tenable. Subsequently, the 37 companies filed petitions for recovery against the erstwhile Satyam before the City Civil Court, Secunderabad (Court), of which one petition has been converted into suit and balance 36 petitions are at various stages of pauperism/suit admission.

The Hon'ble High Court of Andhra Pradesh in its Order approving the merger of the erstwhile Satyam with the Company, held that in the absence of Board resolutions and documents evidencing acceptance of unsecured loans, i.e. alleged advances, by the former Management of the erstwhile Satyam, the new Management of the erstwhile Satyam is justified in not crediting the amounts received in the names of the said 37 companies and not disclosing them as creditors and in disclosing such amounts as 'Amounts pending investigation suspense account (net)' in the financial statements. The Hon'ble High Court held, inter-alia, that the contention that Satyam is retaining the money, i.e. the alleged advances, of the 'creditors' and not paying them does not appear to be valid and further held that any right of the objecting creditors can be considered only if the genuineness of the debt is proved. The matter is pending final adjudication.

Appeals were filed before the Division Bench of the Hon'ble High Court of Andhra Pradesh against the Order of the single judge of the Hon'ble High Court of Andhra Pradesh sanctioning the Scheme of merger of erstwhile Satyam with the Company w.e.f. April 1, 2011, which are yet to be heard. Further, petition was filed by the 37 companies for winding-up of the erstwhile Satyam with the Hon'ble High Court of Andhra Pradesh which was subsequently rejected. One of the aforesaid companies also filed an appeal against the said order with the Division Bench of the Hon'ble High Court of Andhra Pradesh. These matters have been combined for hearing.

The Directorate of Enforcement (ED) while investigating the matter under the Prevention of Money Laundering Act, 2002 (PMLA) had directed the erstwhile Satyam not to return the alleged advances until further instructions.

In view of the aforesaid and based on an independent legal opinion, current legal status and lack of documentation to support the validity of the claim, the Management believes that the claim by the 37 companies for repayment of the alleged advances, including interest thereon will not be payable on final adjudication. As required by the Hon'ble High Court in the scheme of merger, the said amount of Rs. 12,304 Million has been disclosed as "Amounts pending investigation suspense account (net)" ("Suspense Account (net)"), which override the relevant requirement of Conceptual Framework for Financial Reporting under Indian Accounting Standards (Ind AS). Accordingly, the amounts of these alleged advances are disclosed separately from equity and liabilities of the Company in the books of account.

5 During the six months period ended September 30, 2026, 317,833 shares of Rs 5/- each fully paid, were allotted upon exercise of the vested stock options pursuant to the Company's Employee Stock Option Schemes resulting in an increase in the paid-up share capital by Rs. 2 Million.

6 Emphasis of Matter

The Emphasis of Matter in the Auditor's Report:

With relation to Note 4 in respect of certain matters relating to erstwhile Satyam Computer Services Limited (erstwhile Satyam), amalgamated with the Holding Company with effect from April 1, 2011, is discussed below:

In accordance with the Scheme approved by the Honourable High Court of Hyderabad, Andhra Pradesh, the Holding Company has presented separately under "Suspense account (net)" claims made by 37 companies in the City Civil Court, for alleged advances amounting to Rs. 12,304 Million, to erstwhile Satyam. The Holding Company's management on the basis of current legal status, lack of documentation to support the validity of the claim and external legal opinion, believes that claims will not be payable on final adjudication.

Management response to Emphasis of Matter:

With regard to the Emphasis of Matter stated above, there are no additional developments which require adjustments to the audited consolidated interim financial results.

7 Effective November 21, 2025, the Government of India notified the four Labour Codes- the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020 and the Occupational Safety, Health and Working Conditions Code, 2020- consolidating 29 existing labour laws, collectively referred to as the 'New Labour Codes'. The Group, considering the materiality and regulatory driven, non-recurring nature, presented the incremental impact of Rs. 2,724 Million related to Employee Benefit Obligations under "Exceptional item".

8 On July 1, 2026, Tech Mahindra Servicos De Informatica S.A, a wholly-owned subsidiary of the Company, acquired 100% equity interest in Alyis Serviços Técnicos LTDA for a consideration of BRL 1.2 million (Rs. 22 million).

9 On July 27, 2026, Tech Mahindra London Limited ("TMLL"), a wholly-owned subsidiary of the Company, acquired the remaining 20% equity interest in Tech Mahindra Arabia Limited for a consideration of SAR 83.7 million (Rs. 2,148 million). Following the acquisition, the Company, together with TMLL, holds 100% shareholding in Tech Mahindra Arabia Limited.

10 The Company has consolidated the financial results of its subsidiaries, associates and joint ventures as per applicable Indian Accounting Standards.

11 The audited consolidated interim financial results have been made available on the BSE Limited website (www.bseindia.com) and the National Stock Exchange of India Limited website (www.nseindia.com) where the Company's securities are listed and are posted on the Company's website at the web-link: https://www.techmahindra.com/en-in/investors/.

Independent Auditor's Report

To the Board of Directors of Tech Mahindra Limited

Report on the audit of the Standalone Financial Results

Opinion

We have audited the accompanying standalone quarterly financial results of Tech Mahindra Limited ("the Company") for the quarter ended 30 September 2025 and the year-to-date results for the period from 1 April 2025 to 30 September 2025, (in which are included interim financial information of an Employee Stock Option Plan (ESOP) trust) attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, these standalone financial results:

a. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and

b. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards, and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information for the quarter ended 30 September 2025 as well as for the year to date results for the period from 1 April 2025 to 30 September 2025.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Results* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 4 of the standalone financial results, which describes in detail certain matters relating to erstwhile Satyam Computer Services Limited ("erstwhile Satyam"), amalgamated with the Company with effect from 1 April 2011. In accordance with the Scheme approved by the Honorable High Court of Hyderabad, Andhra Pradesh, the Company has presented separately under 'Suspense Account (net)' claims made by 37 companies in the City Civil Court, for alleged advances amounting to Rs 12,304 million, to erstwhile Satyam. The Company's management, on the basis of current legal status, lack of documentation to support the validity of the claims and external legal opinion believes that these claims will not be payable on final adjudication.

Our opinion is not modified in respect of this matter.

B S R & Co. LLP, a partnership firm with Identification No. AAB-8181 converted effective 14 October 2013 into B S R & Co. LLP, a limited liability partnership firm with Identification No. AAB-8181, with effect from October 14, 2013

Management's and Board of Directors/Board of Trustees' Responsibilities for the Standalone Financial Results

These quarterly financial results as well as the year to date standalone financial results have been prepared on the basis of the interim financial statements.

The Company's Management and the Board of Directors are responsible for the preparation of these standalone financial results that give a true and fair view of the net profit/ loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Management and Board of Directors of the Company/Board of Trustees of the ESOP trust are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each Company/ESOP trust and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the respective Management and the Board of Directors/Board of Trustees are responsible for assessing each Company/ESOP trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors/Board of Trustees either intends to liquidate the Company/ESOP trust or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors/Board of Trustees are also responsible for overseeing the financial reporting process of each Company/ESOP trust.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management's and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial

results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the standalone financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Audited Standalone Interim Financial Results for the quarter and six months period ended September 30, 2026

Notes :

1 These results have been prepared on the basis of the audited standalone condensed interim financial statements which are prepared in accordance with the Indian Accounting Standard (referred to as "Ind AS") 34 - Interim Financial Reporting prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules 2015 and relevant amended rules thereafter. The quarterly and six months period ended September 30, 2026 financial results have been reviewed by the Audit Committee and have been approved and taken on record by the Board of Directors in its meeting held on October 15, 2026.

2 The Board of Directors at its meeting held on October 15, 2026, has declared a interim dividend of Rs. 15 per equity share on face value of Rs. 5 each (300%).

3 The Board of Directors, at its meeting held on October 15, 2026, approved the issue of bonus equity shares in the ratio of 1:1, i.e., one bonus equity share of Rs. 5 each for every one fully paid-up equity share held by the Members of the Company as on the record date, subject to approval of the shareholders and other applicable regulatory/ statutory requirements.

4 Certain matters relating to erstwhile Satyam Computer Services Limited (erstwhile Satyam):

Proceedings in relation to 'Alleged Advances':

Erstwhile Satyam had, in the past, received letters from 37 companies seeking confirmation by way of acknowledgement of receipt of certain alleged amounts by the erstwhile Satyam (referred to as 'alleged advances'). These letters were followed with legal notices claiming repayment of the alleged advances aggregating to Rs. 12,304 Million together with damages/compensation @ 18% per annum till the date of repayment. The erstwhile Satyam had not acknowledged any liability and replied to the legal notices stating that the claims are not legally tenable. Subsequently, the 37 companies filed petitions for recovery against the erstwhile Satyam before the City Civil Court, Secunderabad (Court), of which one petition has been converted into suit and balance 36 petitions are at various stages of pauperism/suit admission.

The Hon'ble High Court of Andhra Pradesh in its Order approving the merger of the erstwhile Satyam with the Company, held that in the absence of Board resolutions and documents evidencing acceptance of unsecured loans, i.e. alleged advances, by the former Management of the erstwhile Satyam, the new Management of the erstwhile Satyam is justified in not crediting the amounts received in the names of the said 37 companies and not disclosing them as creditors and in disclosing such amounts as 'Amounts pending investigation suspense account (net)' in the financial statements. The Hon'ble High Court held, inter-alia, that the contention that Satyam is retaining the money, i.e. the alleged advances, of the 'creditors' and not paying them does not appear to be valid and further held that any right of the objecting creditors can be considered only if the genuineness of the debt is proved. The matter is pending final adjudication.

Appeals were filed before the Division Bench of the Hon'ble High Court of Andhra Pradesh against the Order of the single judge of the Hon'ble High Court of Andhra Pradesh sanctioning the Scheme of merger of erstwhile Satyam with the Company w.e.f. April 1, 2011, which are yet to be heard. Further, petition was filed by the 37 companies for winding-up of the erstwhile Satyam with the Hon'ble High Court of Andhra Pradesh which was subsequently rejected. One of the aforesaid companies also filed an appeal against the said order with the Division Bench of the Hon'ble High Court of Andhra Pradesh. These matters have been combined for hearing.

The Directorate of Enforcement (ED) while investigating the matter under the Prevention of Money Laundering Act, 2002 (PMLA) had directed the erstwhile Satyam not to return the alleged advances until further instructions.

In view of the aforesaid and based on an independent legal opinion, current legal status and lack of documentation to support the validity of the claim, the Management believes that the claim by the 37 companies for repayment of the alleged advances, including interest thereon will not be payable on final adjudication. As required by the Hon'ble High Court in the scheme of merger, the said amount of Rs. 12,304 Million has been disclosed as "Amounts pending investigation suspense account (net)" ("Suspense Account (net)"), which override the relevant requirement of Conceptual Framework for Financial Reporting under Indian Accounting Standards (Ind AS). Accordingly, the amounts of these alleged advances are disclosed separately from equity and liabilities of the Company in the books of account.

5 During the six months period ended September 30, 2026, 317,833 shares of Rs 5/- each fully paid, were allotted upon exercise of the vested stock options pursuant to the Company's Employee Stock Option Schemes resulting in an increase in the paid-up share capital by Rs. 2 Million.

6 Emphasis of Matter

The Emphasis of Matter in the Auditor's Report:

With relation to Note 4, which describes in detail certain matters relating to erstwhile Satyam Computer Services Limited ("erstwhile Satyam"), amalgamated with the Company with effect from April 1, 2011, is discussed below:

In accordance with the Scheme approved by the Honourable High Court of Hyderabad, Andhra Pradesh, the Company has presented separately under "Suspense Account (net)" claims made by 37 companies in the City Civil Court, for alleged advances amounting to Rs.12,304 Million, to erstwhile Satyam. The Company's management, on the basis of current legal status, lack of documentation to support the validity of the claims and external legal opinion believes that these claims will not be payable on final adjudication.

Management response to Emphasis of Matter:

With regard to the Emphasis of Matter stated above, there are no additional developments which require adjustments to the audited standalone interim financial results.

7 Effective November 21, 2025, the Government of India notified the four Labour Codes- the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020 and the Occupational Safety, Health and Working Conditions Code, 2020- consolidating 29 existing labour laws, collectively referred to as the 'New Labour Codes'. The Company, considering the materiality and regulatory driven, non-recurring nature, presented the incremental impact of Rs. 2,452 Million related to Employee Benefit Obligations under “Exceptional item”.

8 As per Ind AS 108 'Operating Segments', the Company has disclosed the segment information only as part of the audited consolidated interim financial results.

9 The audited standalone interim financial results have been made available on the BSE Limited website (www.bseindia.com) and the National Stock Exchange of India Limited website (www.nseindia.com) where the Company's securities are listed and are posted on the Company's website at the web-link: https://www.techmahindra.com/en-in/investors/.

Mohit Joshi, CEO and Managing Director, Tech Mahindra, said,

"Deal wins exceeding $1+ billion in each of the last four quarters reflect the strength of our customer relationships and the trust we have built. With 7.2% year-on-year constant currency growth, we continue to sustain business momentum. As we celebrate our 40th anniversary this quarter, we look ahead with confidence, building on our legacy of innovation, entrepreneurship, and long-term value creation for our stakeholders."

Rohit Anand, Chief Financial Officer, Tech Mahindra, said,

"We delivered another strong quarter of growth, with margins expanding for the twelfth consecutive quarter, reflecting disciplined execution. We continue to invest in AI to improve productivity, drive innovation and build capabilities for future growth. The Board has recommended an interim dividend of ₹15 per share reaffirming our commitment to shareholders."

Key Deal Wins

- Selected by a leading Canadian insurer as a strategic partner for an integrated Application Managed Services engagement spanning core insurance applications, vulnerability management, environment services, release engineering, and run operations. The engagement will accelerate platform modernization, improve operational efficiency, strengthen security, and enhance observability
- Selected by a global logistics company to accelerate AI adoption and shape its product maturity strategy. Leveraging Tech Mahindra's logistics domain expertise, product consulting capabilities, and lean-agile experience, the engagement will define a product maturity roadmap, prioritize high-value AI use cases, and enhance product development and logistics operations
- Selected by a leading digital network business to deliver a transformative Mainframe-as-a-Service program supporting critical communications infrastructure. Leveraging Tech Mahindra's strengths in infrastructure transformation, managed services, automation, and telecom domain expertise, the engagement will help deliver reliable connectivity services across the UK
- Selected by a global enterprise software company as its preferred transformation partner to modernize and scale critical customer-facing services. Through AI-powered operations, platform expertise and an outcome-driven delivery framework, Tech Mahindra will help improve scalability, accelerate innovation, enhance customer outcomes, and drive operational efficiencies across a global ecosystem
- Selected by a leading Australian telecom operator as their strategic managed services partner for a five-year engagement spanning application development, maintenance, testing, and AI

engineering services. This win reflects Tech Mahindra's deep telecom expertise and proven experience in AI engineering services and managing mission-critical technology environments

- Selected by a global leader in industrial process fluids and specialty chemicals as its strategic global workplace transformation partner. Through a unified operating model and AI-enabled workplace capabilities, Tech Mahindra will help modernize its workplace services, strengthen security, simplify integrations, and enhance employee experience globally
- Selected by one of ASEAN's leading financial institutions as a strategic partner for its wealth management platform transformation. Leveraging Tech Mahindra's deep expertise and AI-led engineering capabilities, the program will modernize the platform, enhance client and advisor experiences, and support future growth across ASEAN wealth markets
- Selected by a leading European energy company to transform contact centre operations through a multi-year engagement. Leveraging a unique delivery model and translation technology, Tech Mahindra will deliver a differentiated service model focused on operational excellence and customer experience

Business Highlights

- Launched Zero Gravity Telco Architecture™ enabling telecom operators to reduce enterprise Gravity by addressing the architectural constraints that limit safe AI agent deployment, supporting their transition to AI-native operations
- Announced a strategic partnership with SpaceXAI to build a global AI-powered software engineering practice, combining SpaceXAI's AI-native development platform with Tech Mahindra's engineering and transformation expertise
- Partnered with I-HUB Quantum Technology Foundation to advance India's indigenous quantum computing capabilities, strengthening Tech Mahindra's presence in emerging technologies and next-generation computing platforms
- Launched India's foundational educational LLM Indus Terra, a 30 bn parameter model built with Nvidia and AWS, as part of India AI mission
- Launched the Consumer Agentic Experience Studio (CAX Studio), enabling enterprises to explore and scale AI-led transformation across the consumer value chain, while deepening ecosystem collaboration through strategic partnerships with Google, SAP, and Blue Yonder
- Announced an expansion of its agentic AI readiness through partnership with Google Cloud and scale hands-on capabilities of Google Cloud Gemini Enterprise across Tech Mahindra's global workforce to support growing enterprise demand for production-ready AI. A key element of this expansion is 'Build with Gemini', a Google Cloud hands-on workshop rolled out to12,500+ associates worldwide
- Announced an expanded multi-year partnership designed to accelerate how enterprises move from AI pilots to production-scale deployments and deliver faster time-to-value with playbooks

validated via Tech Mahindra's own ServiceNow deployment and Industry-specific solutions built on the ServiceNow AI Platform

- Announced a partnership with Cisco to deliver an AI-driven Security Service Edge (SSE) offering for global enterprises. The joint offering will help enterprises reduce security complexity, improve visibility and control, deliver seamless user access, and strengthen resilience as they scale cloud, hybrid work, and AI adoption
- Announced a partnership with Wandelbots to build the infrastructure for Physical AI to help manufacturers accelerate the adoption of AI-powered automation and build the factories of the future by combining Physical AI software with enterprise-grade implementation capabilities
- Announced a global alliance with Rezolve Ai to accelerate the deployment of Agentic Commerce across large enterprises worldwide. Together, the companies intend to give enterprises a single path, moving AI beyond pilots and customer-service chatbots into secure experiences that understand intent, recommend products and complete transactions
- Announced a partnership to co-build and deliver agentic AI solutions for enterprise clients globally. The partnership combines Uniphore's Business AI Cloud (BAIC) platform with Tech Mahindra's deep digital business transformation expertise and global delivery capabilities, establishing an Agentic AI Factory to accelerate AI adoption at scale

Awards and Recognitions

- Won first place at the National Quantum Computing Centre (NQCC) UK Quantum Hackathon 2026
- Won Gold at the Stevie® International Business Award for Emerging Thought Leader of the Year
- Received Best Moonshot Catalyst Award, for AI-Powered Business-Aware Assurance Solution with Google Cloud
- Selected as a Digital Masters Award Winner in Avasant's Digital Masters Process Transformation 2026 RadarView
- Recognized at the 2026 Brandon Hall HCM Excellence Awards reflecting Tech Mahindra's continued focus on talent, learning, inclusion, and workforce excellence
- Won Silver in two categories at the 2026 Stevie Awards for Great Employers
- Recognized as a Disability Confident Service Provider By Department for Work and Pensions (DWP) UK
- Felicitated as Champions in Risk Management and Benefits Administration at PeopleFirst HR Excellence 2026
- Winner in Service Excellence, Wellness, Diversity & Young Leaders at the 2026 Asia CEO awards
- Recognized as one of India's Best Tech Brands by ET Edge

Management Commentary

Deal wins exceeding $1+ billion in each of the last four quarters reflect the strength of our customer relationships and the trust we have built. With 7.2% year-on-year constant currency growth, we continue to sustain business momentum. As we celebrate our 40th anniversary this quarter, we look ahead with confidence, building on our legacy of innovation, entrepreneurship, and long-term value creation for our stakeholders.

Mohit Joshi
CEO and MD, Tech Mahindra

We delivered another strong quarter of growth, with margins expanding for the twelfth consecutive quarter, reflecting disciplined execution. We continue to invest in AI to improve productivity, drive innovation and build capabilities for future growth. The Board has declared an interim dividend of ₹15 per share reaffirming our commitment to shareholders.

Rohit Anand
CFO, Tech Mahindra

Helix in Action

Building AI Capability and Market Credibility

Building the New

- **Zero Gravity Telco Architecture™** launched to give service providers governed foundations for autonomous, AI-native operations
- Established the **Toronto Innovation Hub** to integrate client co-creation, AI-innovation, academic engagement, and certification
- Launched **Indus Terra educational LLM** for 10 Indian languages & dialects, built with NVIDIA & AWS on 31Bn parameters

Recognitions

- **TM Forum Catalyst Award**: Business-Aware Assurance demonstrated over 90% end-to-end automation across network operations scenarios
- Recognized by Tier-1 advisory firms across AI-native CX, governed hybrid data, and AI modernization services

Scaling AI Through Ecosystem and Enterprise Adoption

Partnership Ecosystem

- **ServiceNow**: Expanded partnership around Client Zero, industry solutions, and an AI & Innovation CoE
- **AWS**: Launched an Agentic Process Transformation CoE
- **Wandelbots**: Expanded the Physical AI portfolio with Wandelbot's robot-agnostic automation with manufacturing, cloud and integration capabilities
- **Rezolve Ai and Vodafone Business**: Expanded the ecosystem across agentic commerce, AI, automation, private 5G, IoT, cloud and data

Talent & Commercial Model

- Introduced an AI-driven, skills-led workforce model linking career progression to capability, domain proficiency, and AI fluency
- Conducted the Build with Gemini Agentic Simulation, giving hands-on experience in developing secure, governed agentic solutions

Copyright © 2026 Tech Mahindra Ltd. All rights reserved.

Key AI Deal Wins

- Engaged by a **US healthcare technology leader** to deploy a multi-agent AI solution across its post-market surveillance complaints lifecycle, accelerating triage while preserving traceability, regulatory governance, and expert oversight

- Selected by an **American hi-tech company** to execute multi-country, real-world data operations that form the training-data foundation for a Vision AI program powering next-generation wearable devices

- Selected by an **Australian railway operator** to extend AI-enabled operational capabilities through deployment of AI-driven monitoring and management solutions, supporting operational excellence across rail and infrastructure operations

- Selected by a **European professional services firm** as its strategic AI transformation partner to embed AI and agentic AI across more than 40 customer-facing products and platforms, while modernizing software engineering through AI-driven delivery

- Selected by a **European communications and media provider** to transform back-office operations through an outcome-led model that pairs RPA with AI agents, matching each work type to the technology that creates the strongest business value

- Selected by a leading **facility management company** for an AI-enabled field service transformation program, enhancing workforce productivity and streamlining field operations through intelligent workflow automation

- Selected by a **US insurer** as its sole strategic partner to implement and scale a Salesforce Financial Services Cloud CoE, applying agentic and generative AI to underwriting transformation and SDLC productivity

- Engaged by a **European consumer health company** to scale GenAI-enabled creative and content operations, enabling faster, more repeatable production across design, artwork, and campaign management

- Chosen by a **leading utility provider** for an AI-enabled data capture engagement, helping improve operational efficiency and accelerate decision-making across critical business processes

- Engaged by an **APAC communications and media provider** to transform customer experience operations, embedding AI agents across voice and digital interactions, agent assistance, quality, and knowledge management

Copyright © 2026 Tech Mahindra Ltd. All rights reserved.

Deal-Win Performance

TCV Q2 FY27: $ 1,023 Mn

- Selected by a **leading Canadian insurer** as a strategic partner for an integrated Application Managed Services engagement spanning core insurance applications, vulnerability management, environment services, release engineering, and run operations. The engagement will accelerate platform modernization, improve operational efficiency, strengthen security, and enhance observability

- Selected by a **global logistics company** to accelerate AI adoption and shape its product maturity strategy. Leveraging Tech Mahindra's logistics domain expertise, product consulting capabilities, and lean-agile experience, the engagement will define a product maturity roadmap, prioritize high-value AI use cases, and enhance product development and logistics operations

- Selected by a **leading digital network business** to deliver a transformative Mainframe-as-a-Service program supporting critical communications infrastructure. Leveraging Tech Mahindra's strengths in infrastructure transformation, managed services, automation, and telecom domain expertise, the engagement will help deliver reliable connectivity services across the UK

- Selected by a **global enterprise software company** as its preferred transformation partner to modernize and scale critical customer-facing services. Through AI-powered operations, platform expertise and an outcome-driven delivery framework, Tech Mahindra will help improve scalability, accelerate innovation, enhance customer outcomes, and drive operational efficiencies across a global ecosystem

- Selected by a **leading Australian telecom operator** as their strategic managed services partner for a five-year engagement spanning application development, maintenance, testing, and AI engineering services. This win reflects Tech Mahindra's deep telecom expertise and proven experience in AI engineering services and managing mission-critical technology environments

- Selected by a **global leader in industrial process fluids and specialty chemicals** as its strategic global workplace transformation partner. Through a unified operating model and AI-enabled workplace capabilities, Tech Mahindra will help modernize its workplace services, strengthen security, simplify integrations, and enhance employee experience globally

- Selected by one of **ASEAN's leading financial institutions** as a strategic partner for its wealth management platform transformation. Leveraging Tech Mahindra's deep expertise and AI-led engineering capabilities, the program will modernize the platform, enhance client and advisor experiences, and support future growth across ASEAN wealth markets

- Selected by a **leading European energy company** to transform contact centre operations through a multi-year engagement. Leveraging a unique delivery model and translation technology, Tech Mahindra will deliver a differentiated service model focused on operational excellence and customer experience

1 Total Revenue from Operations	161,802	318,921	139,949
2 Net Profit before Tax	22,961	43,380	16,593
3 Net Profit after Tax (Share of the Owners of the Company)	15,856	30,507	11,945
4 Total Comprehensive Income	18,439	34,704	11,941
5 Equity Share Capital	4,430	4,430	4,427
6 Earnings Per Equity Share Rs. (EPS for the interim periods are not annualised)			
- Basic	17.88	34.41	13.48
- Diluted	17.84	34.34	13.46

Additional information on audited standalone interim financial results is as follows:

Rs. in Million

Particulars	Quarter ended September 30, 2026	Six months period ended September 30, 2026	Quarter ended September 30, 2025
Revenue from Operations	137,424	269,610	120,676
Profit before Tax	22,043	37,140	15,334
Profit after Tax	16,138	27,517	11,757

Notes :

1 These results have been prepared on the basis of the audited condensed standalone and consolidated interim financial statements which are prepared in accordance with the Indian Accounting Standard (referred to as "Ind AS") 34 - Interim Financial Reporting prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules 2015 and relevant amended rules thereafter. The quarterly and six months period ended financial results have been reviewed by the Audit Committee and have been approved and taken on record by the Board of Directors in its meeting held on October 15, 2026.

2 The Board of Directors at its meeting held on October 15, 2026, has declared a interim dividend of Rs. 15 per equity share on face value of Rs. 5 each (300%).

3 The Board of Directors, at its meeting held on October 15, 2026, approved the issue of bonus equity shares in the ratio of 1:1, i.e., one bonus equity share of Rs. 5 each for every one fully paid-up equity share held by the Members of the Company as on the record date, subject to approval of the shareholders and other applicable regulatory/ statutory requirements.

4 The Auditors have issued an unmodified opinion on the audited standalone and consolidated interim financial results and have invited attention to a matter (Emphasis of Matter). The Emphasis of Matter is on account of the financial irregularities committed by the promoters of erstwhile Satyam Computer Services Limited (SCSL) before it was acquired by the Company. SCSL was amalgamated with the Company in June 2013. The Emphasis of Matter and the Management Response on the same is available as part of the detailed Regulation 33 formats posted on the Stock Exchange websites (www.nseindia.com/www.bseindia.com) and the Company's website (www.techmahindra.com).

5 The above is an extract of the detailed format of the audited standalone and consolidated interim financial results for the quarter and six months period ended September 30, 2026, filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The full format of the audited standalone and consolidated interim financial results for the quarter and six months period ended September 30, 2026 are available on the BSE Limited website (**www.bseindia.com**), the National Stock Exchange of India Limited website (**www.nseindia.com**) where the Company's securities are listed and the Company's website (**https://www.techmahindra.com/en-in/investors**). The same can be accessed by scanning the QR code provided below.
