disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

The Company, supported by the external expert's advice, is of the view that, it has a strong case on merits. This financial information is unaudited and have been furnished to us by the Management and our conclusion on the consolidated financial results in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and trust is based solely on such unaudited financial information. Mohit Kumar Sarawgi ("CEO"), the Group's Chief Executive Officer, the Company's Executive Director and Chief Financial Officer, has been identified as the CODM. The CODM does not consider assets and liabilities of operating segments for the measurement of segment information.

The segments for the Group are as follows:

Quick commerce also includes generation of online advertising, marketing and ancillary services.

Dining out is a combination of our dining-out and reservations (booking) business.
